Doris Humanicki – Wheelers Hill

I was incredibly impressed with the entire experience with these guys, from the first call to the final installation and completion. Their attention to detail, work ethic, and punctuality were truly amazing. If you're looking for reliability and spot-on workmanship, there's no need to go anywhere else. What's more, they went above and beyond by taking care of things we didn't even ask for. Thank you for making the spa installation process not just smooth but genuinely enjoyable. Doris - love your work

Glenn Robbins – Hampton

Nick and his team take care of everything. They made the whole process very easy, and the outcome is just fabulous. Their work is impeccable, I recommend them very highly.

Michelle McKay – Coburg

I want to thank you all for everything you've done to help us get our barrier. As you know we were issued with our certificate of compliance today. We will now fill the spa up with water!

Louise Gomes – Sandringham

We were very impressed with the Pool Safety Co from beginning to end of our project. From the outset, they were committed to delivering a high quality product that was also compliant. Throughout, they were thorough, knowledgeable and professional and their advice and solutions were well considered. They worked efficiently, resulting in timely completion of the project. The final result was beyond our expectations. It has transformed our garden into an oasis. Very happy.

## CUSTOMER TESTIMONIALS

Chris Fletcher - Brighton

We recently sold our house and obtaining compliance for our pool was a listed condition of sale. Nick was recommended by our local pool store and I am glad we used him as we had a number of complications due to issues with neighbouring properties. He was always easily contactable and explained all of the issues and available options clearly. The work was also done promptly and well. I would recommend him to others.

Mark Perlow – Brighton

Nick organized our pool fence report, removal and replacement. Nothing was difficult to understand or arrange. We were very happy with the end result pool fence. Our friends and family keep seeing the new pool fence and saying how it has improved up our backyard.
